

## SOUND MANSIONS LOOTED LEISURELY BY BURGLAR GANG

Seth Low's and Frank R. Lawrence's Houses Among  
Four Robbed.

That four country residences at Milton Point, on the Sound, were plundered by thieves last Tuesday night, did not become known until today. The robbers had a wagon, but how much they secured is not known. All the houses entered were occupied.

One of the houses looted was that of Frank R. Lawrence, President of the Lotus Club, New York. There the thieves made themselves at home. They lighted a fire in Mr. Lawrence's bedroom and there were indications that they had rested on his bed.

The two other houses entered were those of J. Howard Wainwright, a trustee of Rye Village, and H. de Berkeley Parsons, a brother of William Barclay Parsons.

The Wainwright house was occupied last summer by Charles Buckland, of New York. Valuable brass clocks were stolen from both houses, an overcoat from the Parsons house and various other things.

Two strange men driving in a wagon were seen at Milton Point late Tuesday night, and it is believed they plundered the houses. Robberies at the Point are often committed by pirates, but the Sound is now full of ice at present for them to operate.

## FRANCO, FUGITIVE, IN FEAR FOR LIFE

Former Premier of Portugal  
Disappears, Possibly in  
Hiding.

LISBON, Feb. 6.—Nothing can be learned here of the whereabouts of ex-Premier Franco. It is declared that he has fled the country via Madrid, but these statements are contradicted in other quarters, where it is alleged that he is still in hiding in this city, or in southern Portugal.

It is believed that if he does get free of the country Franco will make his way to Switzerland. It is evident, in any case, that he is in fear of his life. The Minister of the Argentine Republic to Portugal has been made a special Ambassador to represent his government at the funeral of the King and the Crown Prince.

LONDON, Feb. 6.—A despatch received here from Madrid says that Senor Franco, the former Portuguese Premier, has arrived there from Lisbon.

## AGED WEALTHY MAN IS DECLARED INSANE

Livingstone Disbrow Prevented  
by Court From Dispos-  
ing of \$350,000.

(Special to The Evening World.)  
WHITE PLAINS, Feb. 6.—Commissioner Frederick Clark and a sheriff's jury today declared Livingstone Disbrow, eighty-one years old, one of the oldest and best known residents of New Rochelle, insane and incompetent to manage his estate, valued at about \$350,000.

Mr. Disbrow comes from a famous Huguenot family. The application for the commission was made by his wife and eight children, who set forth that he was about to dispose of part of his estate at a great sacrifice.

Two physicians testified that he was in a state of senility and that he told them, among other things, that he saw strange creatures disappearing in holes in his room.

Mr. Ware, a daughter, said that her father recently did not recognize her and told her that she was a man. A committee will be appointed by the Supreme Court to take charge of Mr. Disbrow's estate.

## TRUCE IN STEAMSHIP WAR.

Mutual Agreement to End Cutting  
of Transatlantic Rates.

LONDON, Feb. 6.—At the last general meeting of representatives of the transatlantic steamship companies to-day broad lines of a mutual agreement were decided upon. The purpose of the conference was to put an end to the present rate war, has therefore been practically accomplished.

There will now be committee meetings at which the details of the agreement reached today will be worked out.

pones Announcement to Feb. 10.

ST. PETERSBURG, Feb. 6.—The handing down of the verdict in the case of Lieut.-Gen. Stoessel, who has been on trial here for having surrendered the Port Arthur fortress to the Japanese, has been postponed until Feb. 10, on account of the illness of the president of the court.

## HE JUST COULDN'T HELP TAKING A SWIM IN RIVER.

But It Was "Bum Weather"  
for the Bath, Brown Said  
When Fished Out.

Israel Brown, of No. 421 Seventy-third street, took a swim in the North River today.

It was an involuntary bath, this not being the season for salt water bathing. Brown, who had walked down to the wharf which juts out over the river, regarded the ice-dotted tide for some moments with close attention. The great white chunks floating out to sea with the ebb seemed to fascinate him.

Suddenly Brown's feet flew up and his head plunged down and he was overboard. His overcoat, spreading out skirt-like, supported him and he sailed gracefully along with the ice.

## BOYS' OVERCOATS STOLEN.

Two Men Accused of Theft at a  
Public School.

Lawrence Bean, of No. 352 West One Hundred and Seventeenth street, and Daniel Dunlay, of No. 278 West One Hundred and Seventeenth street, were in the Harlem Police Court today charged with stealing overcoats from Public School No. 10, at St. Nicholas avenue and One Hundred and Seventeenth street.

On Tuesday the annual commencement exercises were held at the school. The children attended in their best finery. When the exercises were completed it was found that five overcoats had disappeared. A thorough search of the building failed to disclose them and although it was zero weather five boys were forced to run home without an outer shield against the severe weather. Bean and Dunlay were arrested today. The police say they had three of the coats in their possession. More arrests are expected.

TO SAIL ON THE CELTIC.  
On the Celtic to-day are to depart Capt. R. Brudenell-Murphy, William Gillette, H. Norman Leach, Mr. and Mrs. J. E. Madden, Andrew B. McCree, Mrs. McCree and Mrs. T. P. O'Connor.

Thousands of people in this city suffering with colds are about to-day. To-morrow they may be prostrated with Grip or Pneumonia. Grip is spreading. Whole families are suffering. It is almost suicide to depend on quinine and whiskey or home decoctions. Don't trifle with a cold. Either take my Cold and Grip Cure or call in a competent physician. I can't say what your doctor will do for you, but I do know that my Cold and Grip Cure will speedily break up all forms of colds and grip. It checks discharges of the nose and eyes, stops sneezing, promptly relieves the throat and lungs, aids inflammation and fever and tones up the system. It cures Headaches and Dizziness accompanying the symptoms of Grip, reduces sleep and restores strength to the body.—MUNYON. All druggists, 25 cts. a bottle.
